New iMac

26 Jul 2022

[I would recommend this consultant to a friend or colleague!](#)

We purchased a new iMac. Gary Katz was extremely helpful in setting up our new computer, transferring data from the old to the new, making sure that all was working properly, and in wiping the old device once the transfer was complete. He was personally congenial, worked quickly, his explanations were understandable. Simply put he provided outstanding service. [< Read less](#)
